THE College mentioned in the address entry has obtained provisional permission from the Competent Authority for running Private Unaided Degree College. The Competent Authority accorded provisional permission to the Society / College in order to provide access to higher education to all sections of the Society and to improve Gross Enrolment Ratio (GER), after identifying the need in the locality and thereafter granted permission for establishment of the Degree College.

It is further noted by this Competent Authority that the Society / College in the address entry having provisional permission from this Competent Authority has made zero admissions during the last three years and denied the access to quality higher education thereon. Under the powers vested with the Competent Authority to review the subject matter under AP Education Act 1982, the Management of the College was given a show cause notice vide reference 4 and an opportunity to submit their written explanation on making zero admissions on sanctioned intake and for running the college without maintenance of standards in instructional and infrastructural requirements.

The Enquiry Committee obtained information on the affiliation, admissions and other facilities provided by these colleges and upon examination of the documents, the written statements submitted by the Managements of the Colleges and the status report on the colleges submitted by the committee, the A.P State Council of Higher Education hereby withdraws certain Under Graduate Programmes offered by the College from the academic year 2022-23 under column 3 of the table as follows:
