The A.P State Council of Higher Education accords permission to establish Private Unaided Degree Colleges in accordance with powers accrued vide G.O Ms.No.278 Dt: 24.07.1995 with a view to provide access to Higher Education and to improve Gross Enrolment Ratio. The Competent Authority i.e. APSCHE, while according permission to establish Private Unaided Degree College, has stipulated in the proceedings that the Society should obtain affiliation from the University concerned. The Management of the College mentioned in the address entry was issued Show Cause Notice for their failure on not fulfilling one of the conditions i.e. not obtaining affiliation from the University concerned as prescribed by the Competent Authority i.e. APSCHE, though the Society took provisional permission from the Council for starting the Private Unaided Degree College and not running the College for the last three years and thereby denied access to higher education thereon to all sections of the Society in the locality concerned.

As per Rule 11(1) of G.O.Ms.No.29 dt.5.2.1987, r/w 17(12) of G.O.Ms.No.36 Dt:15.07.2021 the Competent Authority shall withdraw permission/recognition/affiliation granted to the Private Unaided Educational Institution when the institution has failed to fulfil any of the conditions prescribed for permission/recognition/affiliation. In the provisional order given by the Competent Authority it is made clear to the college managements while granting permission to run the college that the permission accorded is subject to certain pre requisite conditions detailed therein.

In compliance of the Rule11 (1), r/w rule 17(12) of G.O.Ms.No.36 Dt:15.07.2021 the Society / College mentioned in the address entry was asked to explain as to why permission cannot be withdrawn by this Competent Authority for not running the College during the last three years and has not obtained affiliation of the University concerned and thereby denied the access to higher education to all sections of the society in the locality concerned by way of show cause notice vide references 4th and 5th cited, following due process of law.

The Management of the College mentioned in the address entry was provided an opportunity to submit written statement as to why permission accorded to the college cannot be withdrawn.

Since the Management of the college has not submitted any written statement regarding their failure to obtain affiliation from the University and to run the College for the last three years, the Competent Authority, hereby withdraws the statutory permission granted to the College from the academic year 2022-23, in order to curtail misuse or abuse of such orders. Thus the College is not entitled and cannot make admissions into 1st year from the academic year 2022-23 as per these proceedings. However, the permission granted by this authority will be in existence for 2nd and 3rd year Course of students, if any, till the last batch of students exit from the College.

The affiliating University concerned is requested to take immediate action on the above and not to affiliate the said College from the academic year 2022-23 for admission into 1st year of all courses.
